

REMARKS

Claims 1-106 are presented for examination. Claim 107 has been canceled without prejudice or disclaimer to the subject matter recited therein. Various claims have been amended to better conform them to U.S. practice, e.g., multiple dependencies have been addressed along with other issues. None of these amendments are made in view of the prior art. Applicants have attached an abstract on a separate sheet of paper as required by US practice.

Entry of the amendment prior to the examination of the application and calculation of the filing fee is respectfully requested.

Respectfully submitted,

Date: October 26, 2004
